STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. PADILLA (for himself and Mr. CRAMER):

S. 5183. A bill to amend the Federal Credit Union Act to provide a sunset

for certain ways in which credit unions may be Agent members of the National Credit Union Administration Central Liquidity Facility; to the Committee on Banking, Housing, and Urban Affairs.

Mr. PADILLA. Mr. President, I rise to speak in support of the bill that I introduced today to help ensure the financial stability of smaller credit unions.

Congress created the Central Liquidity Facility in 1978 to improve the general financial stability of credit unions by serving as a liquidity lender to credit unions experiencing unusual or unexpected liquidity shortfalls.

Unfortunately, under current law, smaller credit unions often do not have access to the critical tool that could help them address liquidity shortfalls, especially amid higher interest rates.

That is why I am proud to introduce this bipartisan legislation with Senator CRAMER to allow corporate credit unions to buy Central Liquidity Facility capital stock for a chosen subset of its members rather than all of its members for the next 5 years. This would provide greater flexibility for smaller unions to use the Central Liquidity Facility's services.

I hope my colleagues will join me in support of this bill to meet the needs of our Nation's 5,000 credit unions and the communities they serve.

By Mr. CARPER (for himself and Mr. GRAHAM):

S. 5185. A bill to amend the Coastal Barrier Resources Act to make improvements to that Act, and for other purposes; to the Committee on Environment and Public Works.

Mr. CARPER. Mr. President, today I am pleased to introduce along with the Senator from South Carolina, Mr. Graham, the Strengthening Coastal Communities Act of 2022.

The Strengthening Coastal Communities Act of 2022 amends the Coastal Barrier Resources Act and codifies maps to update and add units to the Coastal Barrier Resources System. Congress first passed the bipartisan Coastal Barrier Resources Act in 1982, due in no small part to the hard work of former Congressman Tom Evans from Delaware. Today, the Coastal Barrier Resources System consists of 588 system units, which are areas of low and undeveloped coastal land along the Atlantic, Gulf of Mexico, Great Lakes, U.S. Virgin Islands, and Puerto Rico coasts. There are also 282 otherwise protected areas in the system, which are used primarily for conservation and recreation purposes. Together, this is 3.5 million acres of land and associated aquatic habitat. These units and areas are important not only because they protect habitat vital to our Nation's wildlife but because conserving sensitive coastal habitats also protects our coastal communities—our homes, businesses, and infrastructure—from flooding.

The Strengthening Coastal Communities Act represents a proactive step

toward more resilient coastlines across our Nation. We need to prioritize the protection of our coastlines ahead of the next storm instead of in response to it. Doing so will make our coastal communities better able to withstand extreme weather events in the face of a changing climate.

The legislation I am introducing today would codify 195 updated or new maps that the U.S. Fish and Wildlife Service has transmitted to Congress for the Coastal Barrier Resources System. This bill also includes some minor amendments to the Coastal Barrier Resources Act to improve Agency implementation of the Act. In addition, the bill authorizes \$5 million in appropriations annually for the Coastal Barrier Resources Act for fiscal years 2023 through 2027. This increase from the last appropriation authorization of \$2 million is well-justified by the long-term coastal resilience value generated by the program. This program also saves taxpayer dollars by restricting the use of Federal funding in the sensitive areas that comprise the Coast a Barrier Resources System. This reauthorization has clear benefits for our environment and economy—a win-win for Delaware and our Nation.

I look forward to working with my colleagues to enact this important legislation this Congress. I ask unanimous consent that a copy of the bill I am introducing today be printed in the RECORD following my statement.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:

S. 5185

Ms. KLOBUCHAR (for herself, Mr. BLUNT, Mr. BARRASSO, Mr. BENNET, Mrs. BLACKBURN, Mr. BLUMENTHAL, Mr. BOOKER, Mr. BOOZMAN, Mr. BURR, Mrs. CAPITO, Mr. CASEY, Ms. COLLINS, Mr. CORNYN, Mr. CRAMER, Mr. CRAPO, Mr. CRUZ, Ms. DUCKWORTH, Mr. GRASSLEY, Mr. HAGERTY, Ms. HASSAN, Mr. HAWLEY, Mr. HOEVEN, Mrs. HYDE-SMITH, Mr. INHOFE, Mr. KING, Mr. LANKFORD, Mr. MANCHIN, Mr. MARSHALL, Mr. MORAN, Mr. RISCH, Ms. ROSEN, Mr. RUBIO, Mr. SCOTT of South

Carolina, Ms. SMITH, Mr. THUNE, Mr. TUBERVILLE, Mr. VAN HOLLEN, Mr. WARNOCK, Ms. WARREN, Mr. WICKER, Mr. WYDEN, Mr. SCOTT of Florida, and Mrs. FISCHER) submitted the following resolution; which was considered and agreed to:

S. RES. 858

Whereas there are millions of unparented children in the world, including 391,000 children in the foster care system in the United States, approximately 114,000 of whom are waiting for families to adopt them;

Whereas the average length of time a child spends in foster care waiting to be adopted is 33.7 months;

Whereas, for many unparented children, the wait for a loving family, in which the children are nurtured, comforted, and protected, seems endless;

Whereas, in 2021, 14,380 children were at risk of aging out of foster care by reaching adulthood without being placed in a permanent home;

Whereas, every day, loving and nurturing families are strengthened and expanded when committed and dedicated individuals make an important difference in the life of a child through adoption;

Whereas, while nearly a quarter of individuals in the United States have considered adoption, a majority of individuals in the United States have misperceptions about the process of adopting children from foster care and the children who are eligible for adoption;

Whereas family reunification, kinship care, and domestic and intercountry adoption promote greater permanency and stability for children;

Whereas the Children's Bureau, an office of the Administration for Children and Families within the Department of Health and Human Services, supports programs, research, and monitoring to help eliminate barriers to adoption and find permanent families for children;

Whereas National Adoption Day is a collective national effort to find permanent, loving families for children in the foster care system;

Whereas, since the first National Adoption Day in 2000, more than 75,000 children have joined permanent families on National Adoption Day;

Whereas the President traditionally issues an annual proclamation to declare the month of November as National Adoption Month, and the President has proclaimed November 2022 as National Adoption Month; and

Whereas the Saturday before Thanksgiving has been recognized as National Adoption Day since at least 2000, and in 2022, the Saturday before Thanksgiving is November 19: Now, therefore, be it

Resolved, That the Senate—

(1) supports the goals and ideals of National Adoption Day and National Adoption Month;

(2) recognizes that every child should have a permanent and loving family; and

(3) encourages the people of the United States to consider adoption during the month of November and throughout the year.

EXPRESSING SUPPORT FOR THE GOALS OF NATIONAL ADOPTION DAY AND NATIONAL ADOPTION MONTH

Ms. CORTEZ MASTO. Mr. President, I ask unanimous consent that the Senate proceed to the consideration of S. Res. 858, submitted earlier today.
